ABOUT

SBIARC has been telling a story of timelessness with an artistic perspective in its designs since 2019...

SBIARC was founded by SBI in 2019. SBIARC, as an international brand, has offered its services to numerous high-level companies and exclusive people and successfully carried out consultancy, architectural and interior design, fit-out and turnkey projects for a diverse portfolio of structures all around the world. SBIARC's expertise lies in projects of different scales such as private palaces, mansions, parliamentary buildings, hotels and social spaces.

As SBIARC rebuilds our modern culture, it dreams of a unique and timeless design and achieves that by creating functional and aesthetic interior spaces with sophisticated architectural touches.

WE DREAM

We dream of not just the present but also the future.

WE ARE UNIQUE

We create uniquely timeless designs.

WE ARE UNIVERSAL

We blend different cultures and integrate art into our living.

WE ARE INNOVATIVE

We are cognizant of change and responsive to the novelties that time brings along.
